RESORT UPDATE

As we all find ourselves navigating our lives through the COVID-19 pandemic, we would like to thank all our owners for their patience and understanding during these unprecedented times. The resort closed, per state order, at noon-time on March 22, 2020, and 54 staff members were furloughed. All managers and an equal amount of staff members maintained operations during the closure to provide security for the property and communication to Owners.

Your Board of Trustees approved the reopening on June 12, 2020, and our dedicated management and staff members have been fulfilling much needed vacations every day. On behalf of the Board of Trustees we would like to thank the entire staff for the dedication and commitment to ensure the health and safety of all owners, guests, and employees.

The Cove at Yarmouth Staff is very happy to welcome you back to spend time with family and friends and create some memories to last a lifetime. For latest information about mandatory COVID-19 guidelines and enhanced safety procedures, please go to our website coveatyarmouth.com
